CIRCULAR

To whom it may concern

Dear shareholder

The company's offices close tomorrow on a solid note. It reopens on 8 January 2020.

With clarity having been reached on the asset portfolio, total shares issued and the listing funding, only the final choice between the JSE and ZAR X as securities exchange has to be made by the end of January.

By that time draft 7 of the prospectus should be ready to be lodged with CIPC for registration.

The target date for listing remains May 2020.

The outstanding supporting documents should also be ready by February, with only the competent person's report (CPR) on the PIC diamond concessions in the DRC possibly causing a delay.

Monthly reports will advise shareholders on the progress made.

Due to the limited time available all queries regarding shares, share certificates and other secretarial matters should be addressed in writing directly to Veronica Anthony.

I thank you for your support during the past few years and wish you all a blessed Christmas and prosperous New Year.

Yours sincerely

Wilhelm Smith
